From the author of THE GUARDIAN HERD series comes a whimsical tale of friendship, lemonade parties (where everyone wears yellow, including the pets), and adorable animals! First published in 2012, The Pet Washer is Jennifer's indie novel.

What happens when a vacationing princess befriends the local pet washer?

It is spring break! The royal families of the seven kingdoms flock to their second castles on the sleepy island of Windym. Overrun by vacationing princesses, the townsfolk struggle to keep up with their outrageous demands.

Cianna works overtime at The Royal Pet Palace and Day Spa. She is the pet washer. Here, animals are cleaned, massaged, bedazzled, and dyed to match the outfits of their masters. Cianna is popular with the pets because she invents special shampoos, flea treatments, pet foods, and toothpastes to keep them as healthy as they are clean.

Polly owns the finest dresses, the fastest horses, lives in the largest castle, and has the prettiest friends in the seven kingdoms. She is the princess. When Polly discovers the pet washer, she believes she's found the perfect girl to include in her Spring Festival dance performance. But as their unlikely friendship deepens, it ignites jealousy and deceit.

Will Cianna and Polly overcome these challenges, or will the Spring Festival end in disaster?
