Ten years have passed since Kate and Cecy married Thomas and James, and England is now being transformed by the first railways. When the Duke of Wellington asks James to look into the sudden disappearance of a German railway engineer, James and Cecy's search reveals a shocking truth ...

The railway lines are wreaking havoc with ancient underground magical ley lines, which could endanger the very unity of England. Meanwhile, Kate has her hands full taking care of all their children, not to mention the mysterious mute girl Drina, rescued from a kidnapper! The letters between Kate and Cecy, and between their husbands, blend magic, mystery, adventure, humor, and romance.
