As an FBI agent, Josh Barnes believed heâ€™d seen it all--until he meets Jennifer. Sheâ€™s smart, sassy, gorgeous, and running for her life, but from whom, Josh has yet to figure out. Her story of an ex-husband is a lie. The truth about who is after her and why is even more unbelievable. Unfortunately, the danger of her situation does nothing to stop the lust that ignites every time they get close to one another.

Josh is a Dom and Jennifer an innocent in the ways of BDSM. He has no business introducing her to his dark world of bondage, domination, and kinky sex, especially when the people after Jennifer could find her at any moment. But Josh canâ€™t resist the pull and finds, to his delight, that Jennifer is excited by his slightly unorthodox sexual appetites.

Needing to put an end to the danger stalking his new sub, Josh comes up with a plan. Turn the tables and make the hunters the prey. The trick will be putting their plan into motion, before theyâ€™re found, because Josh has already lost his heart to Jennifer and the burning desire that rages between them.
